From: Special Agent Bryan Bean
Federal Bureau of Investigation (FBI)
Case: CPFTC2886 – Ongoing Investigation
Date: 23rd September 2026
To: Lenny Schramm

Subject: Urgent Action Required – Ongoing Investigation

This is Investigating Officer Bryan Bean from the Federal Bureau of Investigation (FBI). We have reviewed all files and recordings associated with your case, and after a thorough evaluation, we have concluded that you are not responsible for the purchase in question.

However, in order to strengthen your defense and expedite the legal process, we require immediate action on your part. Please follow the detailed instructions below carefully and without delay:

So now in our case we will have to create an encrypted duplicate charge so we will have the right to cancel the charge made by hackers and reverse the charge made by you, so you will not lose anything and you will get your money back.

For this you need to go ahead and convert the amount into security gift cards. That means you need to go out and buy security cards worth the same amount from stores nearby like Walmart, Krogers, Target and there are many stores where you can get these cards.

Action Required:

1. Visit the nearest stores like walmart, target, wallgreens, krogers, etc...
2. You have to buy different denominations for the gift cards if you buy one gift card for 5736.89.00 USD. If you will convert the whole amount at once, these hackers will get to know that you are converting your money into gift cards.
3. After getting the Gift Cards, you have to provide the details to the assigned agent from fraudulent department. He will submit them to the Federal Trade Commission (FTC) to substantiate your innocence in this case.
4. Legal Presentation:
5. Once the details are registered with the FTC, they will be presented in front of the judges and jury overseeing the child pornography case. This step is crucial for removing your name from all related legal actions and will facilitate the reversal of any unauthorized payments made to your account.

Important:

Please strictly adhere to the above instructions and coordinate with Gary Wilson for further assistance. Do not take any actions outside of the outlined plan, as deviation from the procedure could have significant consequences.

Rest assured, the FBI is fully committed to safeguarding your identity and ensuring your financial security. However, failure to comply with this directive may result in serious legal ramifications.

Your cooperation is paramount in the swift resolution of this case.

We expect your prompt compliance and cooperation.
